

BẢNG SO SÁNH CÁC GÓI ADOBE SIGN – MỚI NHẤT

Core features	Individual	Small Business	Business	Enterprise
Request signatures Use web or mobile apps to send documents that recipients can e-sign anywhere, on any device	•	•	•	•
Prepare forms Automatically add signature and business fields to documents before sending using Adobe Sensei intelligence, or create your own custom form fields	•	•	•	•
Sign Recipients click on a link to open and sign. No downloads or sign-ups needed	•	•	•	•
In-person signatures Use the Adobe Sign mobile apps to get handwritten signatures from others in person	•	•	•	•
Track and manage Track responses, get email notifications, and send reminders from anywhere	•	•	•	•
Keep records Store signed documents and audit trails securely and send copies to all parties automatically	•	•	•	•
Scan and sign on mobile	•	•	•	•

Use your mobile device camera to turn paper documents into crisp, clear e-documents before sending to others for signature				
Cross-device signature capture When signing from a non-touch enabled computer, easily add a handwritten signature by sending a text message to your mobile device	•	•	•	•
Written signature workflow Print, sign, scan, and return documents without a fax machine. Get the accuracy, authentication, and auditability of electronic signing, even when working with handwritten signatures	•	•	•	•
Digital signatures Comply with the most demanding signature laws and regulations. Signers use certificate-based digital IDs to verify their identity using desktop or cloud-based digital signatures	•	•	•	•
Stamps Let participants add a visible business stamp to your document or form, such as a "Received" stamp, a company seal, or a personalized Hanko stamp in Japan	•	•	•	•
Simple e-signature authentication Invite people to sign by sending an email and optionally ask for a password before signing	•	•	•	•
Product support Get 24x7 in-product chat support	•	•	•	•
Microsoft Office 365	•	•	•	•

Send documents for signature directly from Microsoft Word, Outlook, or PowerPoint				
Box Send, track, and manage directly from your online Box account	•	•	•	•
Customization and optimization
