# MULTI-FEATURE PDF EDITOR

Foxit **PDF EDITOR**

Foxit PDF Editor provides users a cost effective, business ready solution to securely work with PDF documents and forms. It provides a full featured platform to view, create, edit, collaborate, share, secure, organize, export, OCR, and eSign PDF documents. Foxit PDF Editor delivers the right features at the right price to deliver professional looking PDF documents. With its enterprise functionality, integration, and mass deployment capabilities, combined with its affordability, it makes a great alternative to evaluate when yearly subscriptions of existing PDF solutions expire. Foxit PDF Editor is available on Windows, macOS, iOS, Android, and cloud.

Link text boxes together so edited text reflows between columns.

THE FEATURES YOU NEED, A PRICE YOU CAN AFFORD

Foxit PDF Editor enables quick and easy creation of professional looking PDF documents, securely electronically signing documents, and secure sensitive information. Highlighted features that Foxit PDF Editor provides include:

Edit and modify PDF contents	• Automatically identifies text boxes and allows users to paragraph edit within that text box. • Modify text, format, organization, and layout with powerful document editing capabilities. • Adds text, images, and video to your PDF documents.
Export PDF Content	• Easily share PDF content by exporting to Microsoft Word, PowerPoint and Excel; RTF; HTML; text; and image formats.
Standard and XFA Form Filling	• Supports interactive and non-interactive PDF forms. • XFA (XML Form Architecture) form filler allows you to leverage existing XFA forms.
OCR Text Recognition	• Converts scanned content into selectable and searchable text.
Scan documents directly to PDF file	• Scans and converts in one step - streamline workflow by converting paper documents to electronic PDF files.
Edit scanned documents	• Editable Text mode allows the resulting OCRed file to be edited using paragraph editing.
Compare PDF documents	• Highlights the differences between two PDF documents to help you identify what has been changed.
